

# POLICY STATEMENT

## Title: Quality Policy

Fox (Owmbly) Limited's activities comprise earthmoving and civil engineering, which defines the scope of our system for construction. It is our policy to provide all customers with services which conform in all respects to their expectations. Our Quality Policy Statement has been established in line with our company strategy.

Fox (Owmbly) Limited is committed to the continual improvement of our quality management system in order to enhance our service to customers. This management system is implemented and maintained in accordance with ISO 9001:2015.

Top Management accept responsibility for communicating to all employees Fox (Owmbly) Limited's commitment to quality and for ensuring that the Quality Policy is understood, implemented and maintained at all levels. All members of staff are encouraged and motivated to be conscious of the contribution which they can make towards the achievement of Quality Objectives.

The Quality Policy provides a framework for establishing and reviewing Quality Objectives. Fox (Owmbly) Limited Quality Objectives, consistent with the Quality Policy are measurable, and approved by Top Management. Quality Objectives are established and reviewed as part of the Company's Management Review process.

Given the progressive nature of the Quality Management System, Top Management undertakes to adopt any relevant improvements and developments which will serve to keep the Company at the forefront in all quality matters. Top Management reviews the Quality Policy as part of the Management Review process.

Our quality policy is maintained as part our quality management system, communicated throughout our organisation, to our suppliers and made available to interested parties.
